Free yourself from paper

If your life is too much for a paper agenda, grab the indispensable Zire™ 21 handheld from palmOne. It's got as much personality as you have.

Ease into colour

The palmOne™ Zire™ 31 handheld comes with a bright colour display, photo viewer software and built-in MP3¹ player, enabling you to enjoy life at an affordable price.

Seriously cool multimedia tool

Ideal for the multimedia generation, the palmOne™ Zire™ 72 handheld lets you shoot photos and videos², listen to MP3s³, synchronise with Outlook and share SMS, MMS and email messages via Bluetooth⁴.

An invaluable tool for your trade

Svelte and lightweight, the affordable Tungsten™ E handheld is an invaluable tool for your trade, with a high-resolution colour screen and the powerful, intuitive palmOne™ software.

Adopt a new point of view

Adopt a new point of view with the Tungsten™ T3 handheld, which combines an extra-wide 480 x 320 high-resolution colour screen, enhanced intuitive user interface and integrated Bluetooth².

Store more. See more. Work anywhere.

The Tungsten™ T5 handheld reinvents mobile office productivity. Safely carry hundreds of files in 256 MB⁵ of memory and use them on the handheld or on another computer⁴.

Expand your network

Expand your network with the Tungsten™ C handheld, featuring palmOne's powerful hardware, high-productivity software and secure 802.11b wireless LAN access to enterprise data².
